# CHRIS LORES

2016

## PRINCIPAL'S NOTE

It's a time to lift the light of Christmas in order that peace and love is shared among humanity. We continue to make a big effort to live up to our motto and I believe that we see it happen in our student community. With the seed project our pupils learnt the importance of a green earth. The science cum food fair imparts the necessity of being humane in our endeavour to develop and progress. Besides learning the civic sense our students learnt that kindness is an antidote to all the harshness around us. The proceeds from the food fair was used to provide the inmates of the Ambedkhar home at Chirayinkeezhu a new set of mats and pillows.

Mrs. Lauretta A Silva

A major event of the term was our christmas fete. Here we threw our doors open to the public to view how we have fared within the confines of the school. I hope you have received our message that we shall strive to seek ever more and never to yield. 2016 has been eventful and we have not broken stride. Our family day-the christmas get together bears out the truth that we shall not cease to cast the 'mojo' of being diligently different and exceptional.

Enjoy the peace of the Christmas season and here's to a much better New Year!

*Merry*

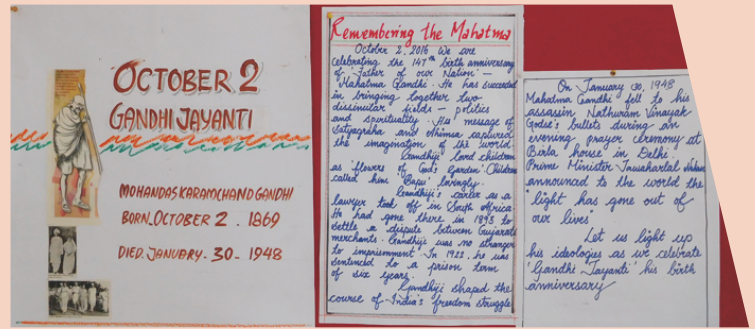

*Christmas*

*and  
Happy New Year*

**LKG** ADMISSION FOR  
THE NEXT ACADEMIC YEAR **2017-2018**  
IS GOING ON

Gandhi Jayanthi was focussed on by students on the bulletin board. Articles from students of various classes were displayed to impart Gandhi's principles and how this has contributed to our national heritage.

14 Oct 2016 witnessed the inauguration of the science club by Mrs.Sindhu Bhaskar, the Agricultural officer, Mudakkal. This was followed by the launching of the

## CLASS III ASSEMBLY

The class III assembly was also based on Gandhi Jayanthi. This was conducted on 7 Oct 2016 and the theme was 'speak no evil , hear no evil and do no evil'.

SEED project by Mr. Jayakumar, Co-ordinator of the Love Plastic Programme, teacher of Edavilakam UP school and news reader on Dooradarshan and Victory channel. The aim of the SEED project is to create awareness on environmental protection among the growing student community. Our Manager Fr.Joseph Vattaparambil graced the function setting aside his busy schedule.

# SCIENCE FAIR CUM FOOD FEST

In order to prepare the students for the theme (Waste not Want not) of the science fair, students were taken on a study tour to Sai Gramam on 17 Oct 2016. There they learnt more about plastic recycling, rain water harvesting and biogas plant.

The inauguration of the Science Fair was officiated on 21 Oct 2016 by Mr. Stanley (Health Inspector, Varkala Municipality) and felicitated by the Director Fr. Joseph Eenthumkuzhy.

The students of the KG, I&II standards displayed attractive handicrafts made from waste materials under the banner 'Best out of waste'. Our budding scientists from classes III to V exhibited various projects based on waste management.

A food fest was also organised to raise funds. The proceeds went towards the purchase of mats and pillows for the 80 inmates of the Ambedkar Rehabilitation Centre, Chirayinkeezhu.

## Rally to promote waste management

In connection with the Science Fair a rally was undertaken by students of classes IV and V from the school to Valakkadu Junction. A flash mob to instil the awareness of environmental protection was another awesome item performed by our students.

# Orientation programme

To revamp and reorient pedagogical skills the KG staff attended a session conducted by a resource person at CNPS, Kawdiar on 22 Oct 2016. This program enabled the teachers to learn and unlearn many aspects of managing the toddlers in the kindergarten.

# SKATING STAR

Meenakshy Sunil of IV B won third prize in the District level skating competition held on Oct 26 2016 at Trivandrum Central Stadium.

# KG Sports Day

Many budding athletes were made out for their potential in this event when sports was organised and conducted for the kids on 31 Oct. 12, 2016.

# Kerala Piravi

Nov I saw the celebration of Kerala Piravi in the Attingal school campus, where the students were informed how the state of Kerala was formed 60 years ago. Harikrishnan of class V delivered a talk on this topic and the poem 'Entenadu keralam' composed by Deepak Prabhakaran Sir was recited by Parvati of Class IV B.

# Field trip

A field trip for the KG toddlers was conducted on 28 Oct 2016 to the Magic Planet, Kazhakoottam. It was a mesmerising experience to an enchanting world for the kids.

# Drawing competition

Our young artists could not resist a challenge to talent when a district wise painting competition was organized in connection with children's day celebration at the Kerala State Science And Technology Museum.

They also participated in the competition held by Mathrubhumi and VKC at the KTCT auditorium kallambalam.

In connection with the painting competition held by the Hindu young world the participants selected were Kshamia Baiju of V-A, Nila Krishna P.D of IV-B and Annie Siby Simon of IV-B.

14 Nov 2016 saw the celebration of our tiny tots' talents at the school venue. This included fancy dress, recitation and dance. Prizes were also distributed to the winners on the spot.

## International year of pulses

The UN declared 2016 as International year of pulses and it was celebrated from Nov 21 - Nov 30. Students collected various articles and displayed them with illustrations highlighting the theme.

World Aids Day on 1 Dec 2016 was also observed to bring awareness to the student community. The bulletin board centered all attention.

## Haritha Kerala Mission

Haritha Kerala Mission was celebrated with the upkeep of an organic kitchen garden for the students. A luscious cultivation of ladies fingers, green chillies and spinach is encouraged by Director Fr. Joseph Eenthumkuzhy and the science department.

## Christmas Card Competition

In association with the Christmas Celebration a Christmas Card competition was held on 8 Dec 2016 for students from class 1 to V. The winners were Rihan Rafi of 1- C and Parvati A.S of IV-B.

## Lucky Draw

A Lucky Draw was also conducted with Director Fr. Joseph Eenthumkuzhy drawing the lots. The lucky ones were Adwaita of LKG-C, Faadi Nishad of IV- A and Mrs.Ruma (teacher).

## CHRISTMAS FETE

To crown the Christmas celebrations- a Christmas Fete was hosted at Bhavana Auditorium, Chempoor by the Christ Nagar Public School, (Attingal) family. His grace **Rev. Dr. Samuel Mar Irenios, Auxiliary Bishop, Syro-Malankara Archdiocese of Trivandrum** officiated the programme. He was flanked by Fr. Bino Pattarkalam CMI, Principal CBSE School, Kawdiar, Fr. Sebastin Attichira CMI, Principal Christ Nagar International School, Fr. Robin Ananthakattu, Principal Christ Nagar College Maranallur and Fr. Jaison CMI, Smt Vijayakumari R S (Panchayath President), Smt Simi Jayakumar (Ward Member). The function was executed with pomp and circumstances. Rev. Fr Joseph Eenthumkuzhy delivered the welcome address, **Rev. Dr. Samuel Mar Irenios**, the chief guest spoke on the importance of the family in society. Rev. Fr Joseph Vattaparambil CMI (Manager) launched the charity drive. Soon after the vote of thanks by Principal Loretta A Silva, an awesome cultural fiesta ensued.

## Formative Assessment IV

Students sat formative assessment IV from 19 Nov 2016- 22 Nov 2016 after one week of rigorous revision.

## Upcoming events

- Annual Day,
- Formative Assessment - V,
- Summative Assessment - 2
- Field trips for classes 1 to V

**SCHOOL REOPENS AFTER CHRISTMAS ON 4 JAN, 2016**
