CHRIST NAGAR PUBLIC SCHOOL

VALAKKADU, ATTINGAL, TRIVANDRUM

**Principal's
Message**

It is again the time of Christmas. This year too we are going to celebrate Christmas with limitations imposed on us by the Corona Pandemic that has drastically redefined the life style of people everywhere and the future course of the history of humanity on earth. Christmas remains as “Today in the city of David a Xavier has been born to you; He is the Christ the Lord”(Lk 2:11)

Christmas celebrations are always associated with exchange of gifts, going to houses and streets, Carol singing, songs like Jingle Bells, Silent Night, Joy to the World, dancing with Santa Clause, decorating Christmas Trees and Christmas Cribs. In the spirit of Christmas, we feed our minds with creative and pleasant thoughts. Christmas is a time when we receive God's blessings in abundance.

Mother Teresa once said, “Christmas is not simply a celebration of 25th December but a state of mind”. It is Christmas everyday and every time when you let God's love to others, through you. Christmas is the time we encounter Jesus in our living areas. Let us reach out the poor and needy and spent quality time with them sharing whatever we have, our resources and our presence to make them happy and cheerful.

MERRY CHRISTMAS AND HAPPY NEW YEAR!
