CHRIST NAGAR PUBLIC SCHOOL

VALAKKADU, ELAMBA P.O, ATTINGAL, TRIVANDRUM

Learning is not a process limited to school and college only nor does it end with the conclusion of one's school career. It is indeed a lifelong process. The school is oriented to the total formation of a child and to the adaptation of various methods suiting the dynamics of the changing world. It is further characterized by a shared vision of responsibility and above all the love and faith in God in order to achieve these goals.

Dear students, it is my message to you all that the people of fine character live by their values. They are honest and are committed to truthfulness in thoughts, words and deeds. The true character thus encompasses the capacity of self-discipline.

Enjoy the peace of Christmas as it is the time to radiate the light of Christmas and New-year, where peace and love is shared among humanity. I wish you all the peace and joy of the season,

Wishing you and your loved ones

A Merry Christmas
